#### HAWTHORNE'S GOOD OPENING.

Monday was the beginning of the end of re ing at Hawthorne for the season of 1899. The handsome Cicero course will run for two weeks and then close its gates until next spring.

Hawthorne has been most lucky in having excellent racing weather and yesterday was no exception. The afternoon was werm and bright, and the track, while not at its best, would have been fast but for the lumps. Some od time was made in the races.

Capt, J. W. Rees was absent from the judge's stend and the racing was taken care of by Harry Kuhl and Mr. W. B. Letcher. Dick Dwyer, as usual, wielded the flag.

The card offered was an exceptionally well balanced one and sprinklings of class could be found in every corner of it.

The steeplechase over the short course and a condition race at three-quarters were the principal features, and both furnished stirring

The Chicago race-going public seems to be fond of the jumping game, and when the field went to the post for the steeplechase the upper part of the grandstand, which affords a most excellent view, was crowded to its limit.

The lot was well bunched as it got aw Cheesemits took the lead early and was the pacemeker throughout, but she could not stand the pressure at the end, and eventually finished second to Globe II. The latter was a heavily played favorite. O'Brien handled him stilfully. Globe II. is a beginner at the game. O'Brien nursed him cleverly the entire route and never made a move until the last fence was topped. Then he sent him along like a flash Globs II. outran the others and won with some thing in reserve.

Out of the six furlongs condition race came a rattling good finish. Georgie won, but only by a nose and after a terrific drive all through the final furlong. The entire bunch seemed to break well, but Hindoonet propped and Lord Fairfax wheeled and both were left. News satherer was the horse that Georgie nosed out and had he been ridden by a stronger jockey the result would undoubtedly have been different. Master Dugan did the best he could, but Newsgatherer is a heavy-headed, loafing horse and the boy could not help him much when the pinch came. Georgie is a speedy filly and everything considered, her price was felse.

Jackanapes and Tappan fought it out for the nine forlong race and Jackanapes, principally through Burns' superior jockeyship over Rose, won by a narrow margin. Plantain, the fav-erite, was overweighted and finished a distant fourth.

P. Tomlinson & Co.'s good horse Cherry Les was sadly beaten by a fair lot in the last race Cherry Leaf was a natural 4 to 5 chance and the public bet heavily on him. He got off good enough to win but Vititoe did not seem to be in any hurry to get home and the horse on his own courage finished fourth. Benneville won the race by a head in a hard drive from Catastro phe. On the winner M. Weber rode a very bad

first race was an easy thing for Mr. Johnson. He was ridden by J. Winkfield, and was backed from 4 to 1 down to 2; to 1. Mr. Johnson was close to the rail all the way, and when the natural spread of the field came at the head of the stretch he easily went to the front and beat Del Paso II.

After a hard drive Alice Turner managed to win the seven furlong two-year-old race by a neck from Fiorizar. In this race Avenstoke epeneo at 4 to 5, but recede 1 to 9 to 5. He ran short and quit bacly under Burns in the stretch.

#### NOTES OF THE TURF.

Major J. B. Malone, for several seasons presiding judge at Hawthorne, will sell in the paddock at Hawthorne today at 12:30 p. m sharp seven yearlings, four of which are by his fine stallion. Forest, whose two-year-old daughter, Bit of Fashion, ran so well at St. Louis last summer that Burns & Waterhouse paid \$5,000 for her and took her to San Fran cisco, where she will no doubt gain new laurels during the coming winter. Major Malone thinks the Forest—Dina filly and the Forest— Mescalia colt are fully as good as Bit of Fashion Of the other three yearlings two are by Lord Esterling, one being a fall brother to Lord Weir. The other is a chestnut colt by Blazes.

E. Scott, Kansas City, Mo,-The short three quarters at Brooklyn will be technically ex-plained later. The Great Eclipse Course at Morris Park is a bending first furlong and five furlongs straight. The course is practically straightaway and all down hill. The Withers mile is the inside circular track at Morris Park. The Main Morris Park Course is a mile and five furlongs up hill for one mile then level for half a furlong and down hill for four and a

The mare Maxine, formerly Fleur de Lis, has one amiss, and will not be raced again. She will be shipped to J. B. Haggin's Elmendorf Stud in Kentucky. She was a good mere when just right, and in heavy going was particularly dangerous. She won the \$10,000 Burns Handi cap in California last spring, and was shipped east for the big handicaps but failed to land acy, though she won some quite creditable

Hanover's yearlings of next season, the last crop from this great racehorse and sire that will come under the auctioneer's hammer, num per sixty, of which thirty eight are colts and twenty-two filies. Of the colts eighteen are chestnuts, twelve bays, seven browns and one a bay or brown. The fillies are nine bays, nine chestnuts, two browns and two are bay or brown

His Royal Highness, recently purchased by P. J. Dwyer from David Gideon, has had a bad mouth, which has interfered with his training McCabe is now getting his mouth shape, so that it is likely this high class colt may be seen to advantage before the seaso ends.

Mr. W. C. Eustis has gone abroad to remain for a year, thus temporarily retiring from the turf. He has five horses in training, including Thomas Cat, which, together with three year-lings, are to be sold at Morris Park this week

M. F. Tarpey has turned his fast filly Novis over to A. B. Spreckels, and she will from now on race in his name. Galen Brown is training her. A couple of two year-olds by Eolo belong ing to Mr. Terrey are sick at Sacramento.

Mr C. B. Hawkins, of Woodford county, Ky., has lately suffered a severe loss in the death of a fine yearling colt by Rossington-Heckie, by Longfellow. The coit met with some slight injury and died of lockjaw.

Jockey Turner has applied to the stewards of the Jockey Club for a lifting of the suspension imposed at Saratoga. Few believe that he will get the clamency he seeks.

C. L. T, Milwaukee, Wis.-The odds on Dis solute, 2 to 5 place, was wired by our Windsor correspondent. In the local rooms the price was 3 to 5 straight.

W. C. Whitney has decided to keep Clawson on the ground for the remainder of the season.

This applies to outside engagements as well as those for the stable

Winner-B c, by King Alfonso-Gir fla.

Off at the first break to a good start. Won very easily; second and third driving hard. Mr.

Johnson was the best. He was fit, too. He was lucky, or o'herwise he could not have won. As
it was, Winkfield got him shut off several times, but at the natural spread of the field at the
head of the estretch, he got through and from there on there was nothing to it. Del Paso II.,
after being sharply interfered with at the half mile post was obliged to pull up and go around
the others. After that he made up a lot of ground and finished strong. Alice B. ran a good race.
Watch her. The route and weight were too much for Marzella. About ninety pounds and threequarters of a mile suit her best. Mareara got into a bad jam on the first turn and this ruined
whatever charce she had.

Winner—B. f, by Regalis—Lady Glide.
Off at the first break to a go of start. Won deiving hard; second, third and fourth were also driving. Alice Turner ran a good, game race and was well rinden. The filly had a clear course and that aided her. She seemed very tired in the stretch and barely lasted long enough to win. Florizar finished with a sharp rush, and had the race been at a mile he could not have lost. Avecatoke was, from all indications, short. He displayed his usual speed, but quit in the stretch. When he collapsed he bumped into Alice Turner and the latter in turn collided with Maharejah. This compelled Renz on Maharejah to pull up when he seemed to have a winning chance. The boy made a claim of foul, but it was not allowed. Man of Honor seemed stale and ran a bad race.

Scratched—14772 Clara Wooley, 105; 1481t Silver Fizz, 110; 14679 Tommy O'Brien, 108.

Winner—Br. g, by Little Minch—Gwend-line.

Post 15 mioutes. Start g od. Won cleverly. The next four were driving hard. Globe II. fenced well, was well ridden by O'Brien and ran a good race. O'Brien ated the gelding with judgment during the early stages of the race and made his run at the right time. After clearing the last jump Globe II. had everything his own way. Cheesemite showed fine speed, made no mistakes at the jumps and bids fair to be a good fencer. Wilson kept Bellamy out of it to long. The horse stumpled, too. after taking the last jump and lost a lot of ground. The weight was too much for Gypc iver, Three Forks and Our Climate. Judge Keenan pulled up very lame.

Overweights—Bellamy, i pound.

Globe II., place, 4 to 5; show, 2 to 5. Bellamy, show, evens. Cheesemite, place, 5 to 1; show, 2 to 1.

Winner—Ch. f, by Ragnarck—G-orgie M.
Off at first break to a good stat for all but Hindoonet and Lord Fairfax. Won in a hard drive of two: third and fourth were doing their b-st. Georgie h-d the most speed but was short and just lasted long enough to win. Wilson ro e a good race on her and an except inally strong finish, S-ronger handled Newsgathe-er would have won. He is a big heavy-headed horse and Dogan was not strong enough to do him justice. From the three-furlong post home Newsgatherer made up a lot of ground and in a last few at idea was catching Georgie fast. Ed Tiploa ran well He Lad all his speed and hong on longer than usual. Talla Fonso was sligt ty interfered with at the start but not enough to cause any difference in the result. Rese rode a lazy race on Goebsi. The horse is probably good. Tab him for early action. Alleviate ran a fair race but it was not up to her notch.

Post 10 minures. Start good Won driving hard; second and third were also doing their best. Buros rode a rood race on Jackanapes and that accounts for the horse's win. He was rated nicely until the stretch was reached. Then be shot up on the outside like a flash. As the race was run Tappan was far the best. Rose rode with miserable jadgment and pumped Tappan out by making hi, run too soot. Tuny Honing awoke with a start and stowed a lot of speed early. On his own course Goose Liver did well. Plantain's race was below the mark. Do not count it in future c-leulations. The others were outclass-a.

Winner—B. c, by Ben Strome—Prodence
Post 5 minutes Start fair. Won in the hardest kind of a drive of two; third and fourth and a keen pressure. Benneville wes much the best and demonstrated that he is a real good horse to win with the bd racing luck he had and the rice that he get. Weber was slowingetting him away and rode into an ugly looking pocket on the first turn. The boy was then compelled to pull up and so around his field. Benneville seemed hopeles significantly better in the backstretch, but he came with a sharp rush at the end. Catastrophe had plenty of speed, but qut badly when the pinch came. Precmaker range fair race and Cherry Leaf a very badone. Do not count this for the latter and mark him for the early future. Vittuce did not seem to make a move on Cherry Leaf but to be parfectly satisfied with his position in the rear. King's Highway range had race in the light of his last performance.

Beoneville, place, 8 to 5; show, 7 to 10. Catastrophe, place, 10 to 1; show, 3 to 1. Pacemaker show, evens. Cherry Leaf, place, out.
